

An opportunity has arisen for an Assistant Herdperson to join our team on a 600 cow, grass based, Autumn calving dairy herd in Cheshire.

We are passionate about training and developing people who are keen to take responsibility and build a career in agriculture.

The successful candidate will assist with the day-to-day running of the farm and the herd. Daily duties will include milking (50:100 swingover parlour), winter yard work (cubicle housed), foot trimming (hydraulic crush), animal welfare, grass management, farm maintenance including fencing etc, record keeping, breeding and basic tractor driving.

We're looking for someone with a can-do, positive attitude and a passion for dairy farming. The ability to work as part of a team to deliver high-quality results is essential.

We'll provide a highly competitive package based on your experience including a flexible working rota, extensive training and a genuine commitment to your future development.

If you think this is the position for you, we would like to hear from you. Please drop us an email: office@dalefarming.co.uk with a Covering Letter & your CV.
