

Due to us expanding the volume of contracting work we carry out in-house we are now looking to recruit a Part Time Tractor Driver. This role will also involve some relief milking so previous experience and an interest in livestock is a must, alongside machinery maintenance and handling skills.

The candidate will have a good can-do attitude, a willingness to learn and be happy to get stuck into all areas of the business as the seasonal workload demands.

If this sounds like the job for you, then we would love to hear from you.

Please apply by dropping us an email
